Subject: Stormwater Sampling at PH sites
Date: 10/31/2006 10:28 AM

I'm putting together the updated list of sites where we plan to do sampling this year, based upon the sites listed on the Milestone Report. A few of the sites are under your leadership. Could you let me know (1) do we currently have stormwater data (catch basin or water) from these sites, and (2) are you expecting them to do sampling this water year? Thanks
